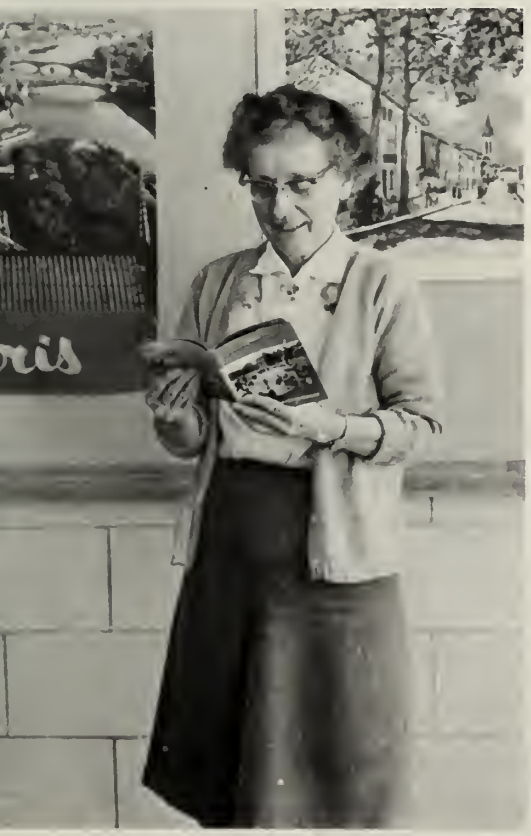
Dedication

We, the graduating class of 1968 dedicate our yearbook to Mrs. Elaine Pederzini and Miss Laura Smith in appreciation for your kindness and interest in the students of MHS. By working long hours in the classroom you have contributed invaluable knowledge in preparation for our future. Through your countless years of devoted service and patient understanding, you have enabled us to witness a realistic attitude toward life. Although we realize we cannot repay you, we hope that through it we can express our deep appreciation to two people who have been more than teachers to all of us.

Mrs. Elaine Pederzini

Miss Laura Smith



In Appreciation For Your Kindness and Interest

Superintendent–Mr. Thomas A. Blake

Principal–Mr. Charles F. Mains

To the Class of 1968:

Education is a bridge between man and his work; it is a bridge between the present and the future; it is a bridge between what we are and what we may become–as individuals, as a nation, as a world.

Congratulations on the occasion of your first bridge–Graduation from Medfield High School and may the bridge be strengthened by a continuing self-evaluation.

Sincerely,

Thomas A. Blake

Thomas A. Blake

To the Class of 1968:

The education you have received so far should be used to continually better yourself. The world, in its present state, needs people who can think constructively and act positively.

One piece of advice which will help prepare you for service in this world is; always take your job seriously, never yourself.

My personal best wishes for a successful and happy future.

Sincerely,

Charles F. Mains

Medfield's A. F. S. Student

The Christmas Pageant

Esen with host brother Rob.

Esen Arkis is our American Field Service Student from Izmir, Turkey. Medfield constitutes a major adjustment from the big city of Izmir, and Medfield High School is different from a Turkish boarding school, but Esen has made the adjustment eagerly.

America was rather overwhelming for Esen at first, but the sincerity and interest shown by all his newly-found friends, helped him to earn the title, "friendliest." While still stubbornly a Turk, Esen is an avid fan of American movies, television, and food. However, he has given Medfield an unforgettable gift—a friendly smile and a warm "Hello."

"Am I supposed to understand this?"

"If they give me one more book!"

Then...

The seventh grade line-up.

"Instead of washing them, I'll just hide them here!"

"I'm telling you, she's not my friend now and never will be!"

"No officer, we aren't drinking!"

"C'mon baby, let's do the twist!"

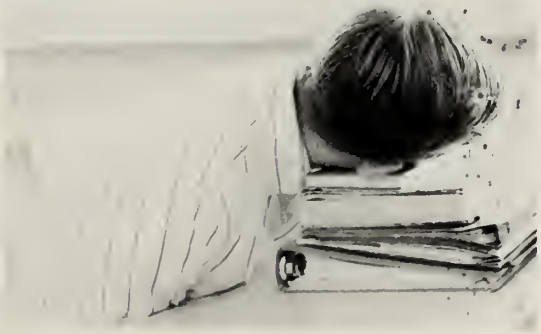
Cheerleaders???

And it didn't win???

The Nyren-Supko-Shade-Iafolla Expedition.

"I don't believe this. It's just too much!"

"That's what I think about Senior Candids!"



"They will never suspect that I have a radio in my book!"

and Now

"I didn't do it!"

The Medfield Warriors under the coaching of Mr. Keys and the leadership of two determined and unselfish captains, Greg Finn and Michael Norelli, won all their league games and regained the Tri-Valley League Title for the second consecutive year. The Warriors, with their never-ending drive and spirit scored a total of 304 points in only nine games, and Wayne Clive and Bill Norelli were awarded Patriot Ledger All-Scholastic trophies. Both the offense and the defense did outstanding jobs whether on the home field or away, and they certainly deserve the championship again this year.

Basketball

The 1968 Basketball team had a new coach, a new look and a new "zoom" this year as Coach George Ruggiero stressed speed, shooting and stamina to offset the team's lack of height.

Co-captained by Mike Kelleher and David Catenacci the team upset traditional Millis and showed exciting promise for the future.

Seniors swing out of their last season

The 1967 Medfield High School baseball team compiled a (3-12) record, under coach James Hodne, which was not indicative of the hustle and desire which this young club demonstrated. Outfielder Bill Conlon was the only graduating senior on the team. This year's squad will be bolstered by returning lettermen Charlie Brown, Fred Caraviello, Gregg Finn, Brian Kelleher, Mike Kelleher, Peter Kelly, Jeff Marks, Matty Marks, Kevin Minnaert, and Rusty Palumbo, as well as newcomer John Magnuson.

Track

Several boys attempted to show the students of Medfield High School just how wonderful they were in the tough sports of track and field. However, only the elite remained when the sport was found to be too rough for some. Although various injuries were suffered, the Medfield Track team demonstrated to the other schools its stamina and competitive spirit developed only through long hours of vigorous and rugged training, encouraged by Coaches Stansbury and Mulcahy. The team finished the season with a 3rd place in the Conference and a 5th place in Class E.

And they're off!

Tennis

The 1967 tennis team, only in its first year of league competition, nearly won the league championship. The team received wide praise for their sportsmanship and team spirit. They scalped Blackstone, Medway and Bellingham before losing in the league final to Dover-Sherborn.

With many of last years players returning and with the addition of some new blood, the '68 tennis team should again have a rewarding and a successful season.

Rally round the Sonett V-4.

See it now. SAAB's new Sonett V-4—Sweden's idea of an expensive toy. Sonett V-4 is a sports car that is unlike all others. It's a different kind of a sports car because it has true aerodynamic design. So the faster it goes, the easier it is to handle, the tighter it hugs the road. And it has front-wheel drive so you don't skid on curves, on hills, on ice, in rain or snow. Powered by a 4-cycle, V-4 engine, Sonett V-4 has so much pull you can go from zero to 50 in 9.1 seconds. Do well over 100, flat out. See it now in our showroom.
